

South Shore Orthopedics contracts with numerous payers in an effort to better serve the community's orthopedics needs. There are certain insurance plans that South Shore Orthopedics does not accept. The list below is intended to be a resource for patients and referral sources to better understand the insurances that South Shore Orthopedics does and does not accept. Because this list is constantly changing, we urge you to call the office at 781-337-5555 so we can work with you on your options for orthopedic care.
